## PROFESSIONAL BACKGROUND

OCT 2021-PRESENT

### FREELANCE INTERIOR DESIGNER

📍 FRANCE

#### Creation of my own company

GOH Architecture, freelance work for architecture agencies.

Restoration and renovation of 6 prestige buildings, 3 new builds houses and commercial projects (including a Sotheby's agency)

- **Design and layout planning**, building permits, and detailed drawings with a methodical approach and meticulous attention to detail to meet requirements.
- Thorough **analysis of local and urban planning regulations** to ensure project compliance.
- Creation of **3D models**, visualisations and photorealistic renderings that translate concepts into convincing visuals thanks to a creative approach and anticipation of needs.

SEPT 2020-2021

### COLLABORATOR INTERIOR DESIGNER

📍 LA ROCHELLE

**1 year's work-study program as a collaborator with architect Anne-Charlotte Néraudeau at Archi/Vous.**

5 renovation projects, 3 extension projects, 3 new houses as well as 3 restaurants, offices and a hotel.

- **Meeting with clients** and professionals to discuss objectives, requirements, and budgets while building a relationship of trust.
- **Site supervision** (6 completed projects) to ensure adherence to timelines, budgets, and the initial vision through proactive management and effective solutions.
- Creation of 3D models and realistic **renderings** that translate concepts into compelling visuals, achieved through attentive listening and clear communication with clients.

MAY-JUNE 2020

### ASSISTANT ARCHITECT

📍 SAINT-PIERRE QUIBERON

**2-month internship as an assistant to architect Justine Gardahaut at Isthme Architecture.**

3 extension projects, 2 total renovations, including a Breton manor.
